

UMMS Norway

- Your Managers Next Door

The establishment of **UMMS Norway** is a step taken to bring the qualitative ship management services closer to the Clients based in Europe. Headed by Lars Spildo and supported by other senior local maritime professionals, UMMS endeavour to develop the business by bringing the service providers closer to the clients speaking the same language and operating in the same time zone.

UMMS Norway will provide full spectrum of ship management activities e.g. Technical Consultancy, Marine Operations, QHSE, New Building Supervision, Dry Docking etc.
